

# Arber *Press Release*

Water, Wastewater & Reuse Engineers

January 23, 2009

## **KEVIN GREER OBTAINS PROFESSIONAL ENGINEER LICENSE**

**LAKWOOD, COLORADO** – Richard P. Arber Associates is proud to announce that Kevin Greer has obtained his professional engineering license from the State of Colorado. “This is a great milestone in Kevin’s career. It demonstrates a level of professional skill and knowledge that is needed in our industry” Rick Arber said.

Kevin has over 4 years of experience in water treatment and distribution system and wastewater treatment and collection system design. Kevin received a Bachelor of Science in Environmental Engineering and a Bachelor of Science in Civil Engineering from the University of Colorado at Boulder. Kevin recently completed the design and is providing services during construction for the Town of Eagle’s Wastewater Treatment Plant Expansion project. “I’m excited to take this next step in my career with Arber” Kevin said.

Founded in 1981, Arber Associates is a professional consulting engineering firm serving municipal, special district, and federal clients. The employee-owned firm provides planning, design, construction administration, and alternative project delivery services for water, wastewater and reuse treatment systems. For more information regarding Arber Associates please contact Steve Ravel at 303-831-4700 or [steve@arber.com](mailto:steve@arber.com).
